High Point All Around (HPAA) Vic Monteleon Memorial Trophy, donated by Ray Carlisle, Red/White/Blue Rosette
The High Point All Around Award will be calculated as follows:

- UDC Breed Survey (maximum of 2 points): 1 point for entering and competing, 1 point for qualifying.
- UDC Obedience (maximum of 3 points for EACH trial: 1 point for entering and competing, 1 point for qualifying, 1 point for HIT. Dogs competing in TWO classes in obedience can earn points for each entry. For example a dog entering and qualifying in both novice and open (or open and utility) would earn 4 points for competing and qualifying in both, with a potential 5th point if they go HIT.
- UDC Conformation (maximum of 3 points for EACH show): 1 point for entering and competing, 1 point for qualifying (E-rating), 1 point for Best Adult.
- IPO FPr (tracking) (maximum of 3 points): 1 point for entering and competing, 1 point for qualifying, 1 point for High in IPO FPr
- IPO UPr (obedience) (maximum of 3 points): 1 point for entering and competing, 1 point for qualifying, 1 point for High in IPO FPr.
- IPO APr (obedience and protection) (maximum of 5 points): 1 point for entering and competing in each phase, 1 point for each phase qualifying, 1 point for High IPO APr
- IPO trial (maximum of 7 points): 1 point for entering and competing in each phase, 1 point for each phase qualifying, 1 point for High in IPO.
- Temperament Tests and BH's earn NO points.

In the event of a tie: dogs entered in the IPO trial will be ranked higher than dogs not entered in the IPO trial, and a dog with a passing protection score will be ranked higher than a dog without, and the dog with the highest passing protection score will be ranked higher than other entries, whether or not the dog qualified in all three phases of the IPO trial. If there is no dog tied for HPAA that entered and participated in the IPO trial, a dog entered in obedience will be given precedence over a dog not entered in obedience, and in all cases, the highest obedience score earned will decide the tie.

Judges and Presenters

Nazarene Mondello

My attraction to the Doberman was fueled by a nurse that I worked with at the hospital. She now owns a poodle..is that next? I went to dog shows and started at the top..Show DOG...then when that was not in sight, we did obedience. So onward and upward and here we are.

My successes in dogs have been:

An AKC CH.ROM, UDC Conformation CH., UDC IPO National CH.x2, AWDF Team 2nd place, AWDF Executive BOD and limited breeding.

I am a Past President UDC, PDPC, and currently serve on the BOD of FDKC, and have held various positions within these organizations. The dogs that I have owned have done some form of competition. They have all been Therapy dogs, as I feel that is a necessary component to our Breed. It is showing the public that these dogs are social and balanced.

Everyone in my house works..work keeps your mind busy and happy and you feel fulfilled. What else is there in life? How best can we share our gift of teaching, but with a dog by our side. My achievements are few compared to others, however, my determination and dedication to the Breed is unquestionable.

It is a pleasure to be asked to do Temperament Tests at the 25th UDC National and I will continue to support the opportunities for growth in our organization. Please join us in celebrating this wonderful achievement.

Catherine Thompson

Mrs. Thompson became interested in Rottweilers in the late 1950's. She acquired her first Rottweiler in 1969 – this bitch, CH Natascha Vom Hohenreissach, CD, was the beginning of a very long involvement with the sport of purebred dogs and Rottweilers. The first Von Gailingen litter arrived in 1973 and from the "A" litter came CH Anka Von Gailingen, who became the top producing Rottweiler bitch in the USA for 1977 with 5 offspring finishing their American Kennel Club championships. Anka was awarded the American Rottweiler Club's Gold Production Award for her 10 Champion, 2 Utility Dog Tracker, 1 Companion Dog Excellent and 5 Companion Dog titled offspring.

Mrs. Thompson is the first breeder/owner/trainer of an AKC Utility Dog titled Rottweiler, also the first with a Champion-Utility Dog and Champion-Utility Dog Tracker with American/Canadian CH Von Gailingen's Dassie Did It, UDT, Can CD and American/Bermudan CH Von Gailingen's Dark Delight, UDT, Bermudan CDX. Dark Delight was the number 1 ARC obedience dog for 2 years and was highest scoring dog in trial at the ARC National Specialty. She is the first advanced obedience titled Rottweiler in Bermuda and the first Champion with an advanced title.

Besides all the club work, Mrs. Thompson is an American Kennel Club approved judge of Rottweilers, Doberman Pinschers, Boxers, Bullmastiffs and Mastiffs. She is also approved to judge all levels of obedience and rally competition. She has judged Rottweilers in Australia, New Zealand, Canada, Jamaica, Trinidad, El Salvador, Great Britain, Sweden and the Philippines. She judges between 30-50 obedience/rally trials per year in the USA and Canada, placing her among the busiest 100 AKC obedience judges.

Mrs. Thompson is the only AKC breeder/judge of Rottweilers that has personally trained and titled her Rottweilers in all AKC performance events. She has titled dogs in breed, obedience, rally, tracking, agility and herding. When not judging or showing her own dogs, she is a sought after speaker on the breed, giving seminars across the US. She has also given judging seminars to various judges' study groups and has been the co-presenter, with Linda Michels of the Breed Study Group at the ARC National Specialty for five years. Catherine and Linda have written a book on the Rottweiler for Howell Book House, [Rottweilers: Centuries of Service.](#)

Doug Matson

I have been active in breeding, showing, and training Dobermans for 40 years. In that time I have bred over 40 Champions under the KANSA kennel name with the vast majority of them OWNER HANDLED. We have bred multiple Top 20 conformation and obedience competitors, ROMS, WACs, and the 1987 DPCA Top Brood Bitch. We have also bred and titled multiple dogs in working sports.

We have built our breeding program on conformation, health, correct Doberman temperament, and working ability. My job and multiple judging opportunities have afforded me the privilege of observing superior Doberman specimens all around the world. We have incorporated dogs from North and South America, the UK, and continental Europe into our breeding program. We feel this has strengthened our breeding program, and the breed in the process.

I have judged large Doberman(n) specialties on five continents and have learned to appreciate all types and styles of our great breed. I have observed numerous national/world level Dobermann specialties, ZTPs, and working trials across Europe that have given me a multi-faceted perspective with this breed. I would like to say "Thank You" to all of the exhibitors for your entry.

Amanda Hoskinson

I started in the sport in 1989 and has been a member of the DVG since 1993 and USRC since 1997. I have competed in DVG National Championships consecutively since 1997 with podium placements at all levels, numerous DVG Regionals, AWDF Championships with podium placements, USRC IPO 3 National Champion in 2005 and 2006. I have also competed internationally and have been a member of 6 world teams and was team Captain for 3 world teams. I have titled 10 dogs from 0-IPO 3.

I've served as Regional Treasurer for 2 years, AWDF delegate, President of one of the oldest Schutzhund clubs in America for 6 years and Central Florida Rottweiler Klub (USRC) for 11 years and Training Director for 6 years. While I held these officer positions, my clubs hosted National IPO CH's, Regional CH's, 2015 DVG FH CH, National Sieger/in shows, as well as a World CH (IFR 2005). Within these Championships, I've held positions of trial chairman, tracklayer, tracking and trial coordinator.

I am honored to be the judge for your event. I wish all competitors the best of luck.

Irene Koretev

Irene Korotev has been active in SAR since 1984. She has trained 4 of her Dobermans to operational status in air scent, human remains, evidence, trailing, and is currently working toward that goal with her fifth dog. Her operational dog, Jäger, was the DPCA's 2008 SAR Dog of the Year. Irene has been the training officer for Missouri Search & Rescue K-9 for many years.

Extra information about the events:

UDC OBEDIENCE TRIALS on Wednesday, 20th and Thursday, April 21st under AKC Judge Catherine Thompson. UDC obedience requires that teams demonstrate mastery of basic skills (Novice classes) or advanced skills (Open & Utility). Please read the obedience rules in the UDC Performance Manual available at http://uniteddobermanclub.com/manuals/Performance_Manual_2015.pdf before entering. PLEASE NOTE THAT THE PERFORMANCE MANUAL HAS BEEN UPDATED WITH A NUMBER OF REVISIONS.

Novice A is for Dobermans who do not have any obedience titles in AKC, UKC, CKC, other registry, or U.S.A./DVG. Dogs holding a "BH" or any Schutzhund/IPO title must enter Novice B. Note: There will be no refunds for a bitch in season if she is not allowed to compete. Bitches in season will be allowed to compete under the following conditions: 1) She must be the last dog to show after all classes are completed prior to HIT being awarded. 2) She is not eligible for run offs. 3) She must be kept out of the obedience area until called for her class. 4) Ribbons for the class in which she is entered will be awarded after she has completed her routine. 5) A demonstration dog must be available if there is only one bitch in season. In the event of two-day trial (which is the case this year), she will only be able to show in the last trial unless a separate obedience ring is available. Notify Beth Bishop, obedience chair, as soon as you determine your entered bitch will be in season so that the chances that you will be allowed to show will be maximized.

UDC TEMPERAMENT TESTS on Tuesday, April 19th under UDC Judge Nazarene Mondello
The UDC requires that all Conformation entries take a UDC TT prior to showing. Dogs need not pass to show. TT's are divided by age and level of training: PTT for the Puppy Classes, YTT for the Youth Classes, ATT for Adult Classes or STT for the Working Class. Dogs that have the AFFB, GFFB, D-ZTP or BSA are automatically eligible for the Working Class without taking the SST. Dogs that have the FFB or BSB do not have to take the ATT. See the UDC Breed Manual available at www.uniteddobermanclub.com for additional details. Non-UDC registered dogs must have proof of titles and papers available for review. All entrants will receive a written evaluation as proof of participation.

UDC CONFORMATION SHOWS on Tuesday, April 19th & Wednesday, April 20th under AKC Judges Catherine Thompson and Doug Matson.

BRIEF UDC CONFORMATION RULES & ENTRY REGULATIONS - See the UDC Breed Manual at http://www.uniteddobermanclub.com/manuals/Breed_Manual_2014.pdf for details. All entrants are required to take the UDC temperament test appropriate for their entered class prior to showing. UDC TTs are offered only on Tuesday, April 19th. If a dog has passed the current age-appropriate TT or a UDC Breed Survey/DV ZTP, presenting this documentation to the Show Secretary during check-in. Dogs may fail the TT and still participate, but cannot earn a CC. Although it is recommended that dogs be registered with UDC and have a UDC Record/scorebook Book, Dobermans in other UDC recognized National registries may show. To register your dog with UDC, please go here: <http://uniteddobermanclub.com/about-udc/programs/register-a-dog/dog-registration-scorebook/>.

All dogs will receive a written critique. Classes are divided by sex and age: Baby (less than 6 months old), Puppy (6 to 12 months old); Youth (12 to 24 months old). There will be a Best Baby, Best Puppy and Best Youth plus Best Opposite Puppy and Best Opposite Youth. Adult classes are for dogs over 24 months of age. Open class is for all adults. Performance class is for adults who hold a BH, Agility, Obedience, SAR, Guide Dog, Therapy or Tracking qualification. Working class entrants must have a SchHA, SchH, Brevet, French Ring, or IPO qualification. Veterans class is for adults 7 years or older who hold a working or performance title and they may be spayed/neutered. Altered are non-regular classes for spayed and neutered dogs who then compete for Best Altered. Dogs over 7 years may enter EITHER Altered or Veterans class, but not both. Champion class is for UDC champions ONLY. Winners Dog and Winners Bitch classes will be open to the highest placed E-rated dogs in Adult classes that have also passed the ATT, STT or Breed Survey/DV-ZTP.

UDC BREED SURVEY on Thursday, April 21st with UDC Breed Survey Judge Doug Matson

The UDC Breed Survey program uses 1) the UDC conformation standard including updated modifications 2) Veterinarian certification will be accepted as proof of lost teeth. 3) Spayed/Neutered dogs are permitted to test. The Breed Survey Basic "BSB" uses a protection scenario similar to the ATT. The Breed Survey Advanced "BSA" uses the protection scenario that includes attack out of the blind with stick hits and a courage test. A complete description of the Breed Survey is available at http://www.uniteddobermanclub.com/manuals/Breed_Manual_2014.pdf. The same health tests must be submitted for the BSB and BSA. Copies of documentation MUST accompany Breed Survey entry. The CERF (within 18 months) and/or echocardiogram (within 18 months) may be turned in with entry OR at a later date. Each Doberman entered must also be UDC registered and have permanent identification (tattoo or microchip), have at least a BH for the BSA, a performance title for the BSB (see UDC Conformation Rules).

Copies of the supporting documents must accompany entry. Online entries must mail copies of the required documentation prior to the **March 28th** closing to:

Jacque Matson, 6721 N Seneca, Wichita, KS 67204, jacque@kansadobe.com

Additional copies of all required documentation must be taken to the test site with UDC registration papers & UDC Record Book/Scorebook.

BANQUET DINNER, IPO DRAW, AGM AND SILENT AUCTION on Thursday, April 21st at the Corkscrew Saloon. Cost: \$45/person. Purchase tickets in advance so that we can have an accurate count. Come find out what is going on! For example, UDC SERVICE DOG OF THE YEAR AWARD is presented annually and is selected from nominations received from the membership. The board makes the final decision from the nominations submitted at their meeting held just prior to the National. Only UDC members are eligible for this award. The awardee will be presented with the Always Faithful Replica donated by Linda Kurz and sculptress Susan Bahary in memory of D-CH Branwen vom Haus Kurz OA, OAC, OJC, OGC, NAJ, AD, BH, UD, TR1, WAC, VCX to keep for the year and a War Dog Memorial poster will be sent by sculptress Susan Bahary to each year's recipient. Send nominations to Michelle Limoges at udcdoberman@shaw.ca or Michelle Limoges 9111 - 84 Avenue, Edmonton, AB T6C 1E5 Canada

UDC NATIONAL IPO CHAMPIONSHIP under DVG Judge Amanda Hoskinson on Fri. April 22nd, and Sat. April 23rd.

IPO Championship Helpers: Dominic Scarberry and Pat Matarrese.

Tracking Coordinator and Track Layer: Mark Scarberry

Practice Helper for IPO Championship and UDC Breed Survey: Mike Sweeney

IPO Championship Helpers

IPO Competitors should not work their dogs on IPO Championship helpers during the two weeks (April 8-23, 2016) before the UDC IPO championship. The IPO Championship helpers will NOT be available to work competitors' dogs during the week of the 2016 UDC National. A training helper will be provided for protection practice. Competitors may also bring their own helper for their practice protection session.

IPO was developed as a means of evaluating the character and the utility of working dogs. The judge is required to make detailed verbal assessments to the audience. Each level, IPO 1-3, comprises three separately evaluated phases. To earn a title, the team must earn at least 70 points in each phase. Important Notices: Be courteous to your fellow participants – practice-tracking fields will be arranged and locations provided to participants. Track on designated practice fields only! Anyone found on the trial tracking grounds prior to the trial will be deemed ineligible to trial.

The BH (Begleithund) is a companion dog or traffic sureness test. Entries may be limited. 100% refund will be given if your entry is not accepted due to trial limitations.

H.O.T. AWARD

To be considered a H.O.T. (Handler Owner Trained) dog, dogs must have been titled from BH to current degree with listed owner/handler (any age). Verification will be done through evidence the owner/handler provides and also copies of the scorebook pages showing the titles and the date the event was held including the judges' name.

To qualify as Handler Owner Trained (H.O.T.), the following criteria must also be met:

1. The dog must be owned and registered in the name of the handler.
2. A significant amount of the training of the dog may not have been done by someone other than the owner without the owner being involved in the training; e.g., the dog may not have been sent to a trainer for the retrieve, heeling, protection, or tracking.
3. The dog may not have been trained to the level of being ready to pass a BH before purchase. When entering a trial with a H.O.T. dog, the handler/owner may be required to sign a statement that the requirements listed above have been met.
4. Many people believe that to qualify for H.O.T., you only need to have put all the titles on the dog; this is only part of the criteria. Please remember that:
 - * When a handler purchases a young dog, the dog cannot have a significant amount of training done by someone else before OR after purchase. If there are videos of the dog heeling, doing positions, tracking and downing on articles, etc., prior to purchase, this is considered a "significant amount of training" and the dog should not qualify as H.O.T.
 - * The handler must be present during ALL training of the dog; the handler may not send the dog to someone else for any training. Dogs that someone other than the handler/owner tracks, works in obedience, or works in protection, when the handler/owner is not present and not involved in the training, do not qualify for the H.O.T. designation.

UDC SAR –Demos will be held throughout the week by Pam Burns, Rayanne Chamberlain and Chris Bean, Michigan Search and Rescue, and Irene Korotev, Missouri Search and Rescue K-9. Come join us for hands on experience on how to keep your dog in good working condition, how to recognize which qualities in a pup will show if it's a good search and rescue prospect, and also, have fun with your dog by taking it through various exercises which are the foundation elements in search and rescue training.

In addition, you are welcome to come observe the actual training sessions in a variety of specialties. They will include live find, such as air scent, and disaster, as well as human remains detection. Training sessions will be held Wednesday through Friday, at different locations throughout the show grounds. The locations and times for the day's training will be posted daily.
