2020 TROPHY & AWARD LIST

UDC National Conformation Shows #1, #2 and #3 - Green Ribbons will be awarded for all earning a CC.

1 st in All Regular Classes	Trophy, Blue Rosette	1 st Altered Classes	Trophy, Pink Rosette
2 nd in All Regular Classes	Red Rosette	2 nd Altered Classes	Brown Rosette
3 rd in All Regular Classes	Yellow Rosette	3 rd Altered Classes	Light Green Rosette
4 th in All Regular Classes	White Rosette	4 th Altered Classes	Grey Rosette
Best Puppy	Trophy, Blue/White Rosette	Best Opp. Puppy	Trophy, Red/White Rosette
Best Youth	Trophy, Blue /White Rosette	Best Opp. Youth	Trophy, Red/White Rosette
Winners Dog	Trophy, Blue/White Rosette	Winners Bitch	Trophy, Blue/White Rosette
Reserve Winners Dog	Trophy, Red/White Rosette	Reserve WB	Trophy, Red/White Rosette
Adult Best of Breed	Trophy, Purple/Gold Rosette	Best Opp to Adult Best of Breed	Trophy, Red/White Rosette
Best Veteran	Trophy, Blue/White Rosette	Best Opp Veteran	Trophy, Red/White Rosette
Best Altered	Trophy, Pale Blue/White Rosette	Veteran High in Trial	Trophy, Purple/White Rosette
Best Baby	Trophy, Pale Blue/White Rosette		

UDC National Obedience Trial 1, 2 & 3 - Green Rosettes will be awarded for all qualifying scores.

1 st in All Regular Classes	Trophy, Blue Rosette		
2 nd in All Regular Classes	Red Rosette		
3 rd in All Regular Classes	Yellow Rosette		
4 th in All Regular Classes	White Rosette		
High In Trial	Trophy, Purple/Gold Rosette		

BH Qualifiers will receive Green Rosette and a UDC medallion.

UDC National IGP Trial

High IGP 1, 2, 3	Trophy, Blue/White Rosette	High IGP Obedience	Trophy, Blue Rosette
High H.O.T.	Trophy, Blue Rosette	High IGP Protection	Trophy, Blue Rosette
High IGP Tracking	Trophy, Blue Rosette	High in Trial	Trophy, Purple/Gold Rosette

UDC National IGP FPr (Tracking) 1-3, FH1, & UPr (Obedience) 1-3 Tests & APr (Obedience and Protection) 1-3

1 st in all levels	Trophy, Blue Rosette
-------------------------------	----------------------

Trophy Disclaimer: In the event if the listed trophy item has been damaged, lost or stolen, we have the right to replace it with something of equal value.

High Point All Around (HPAA) White/Blue Rosette

The High Point All Around Award will be calculated as follows:

- UDC Breed Survey (maximum of 2 points): 1 point for entering and competing, 1 point for qualifying.
- UDC Obedience (maximum of 3 points for EACH trial: 1 point for entering and competing, 1 point for qualifying, 1 point for HIT. Dogs competing in TWO classes in obedience can earn points for each entry. For example, a dog entering and qualifying in both novice and open (or open and utility) would earn 4 points for competing and qualifying in both, with a potential 5th point if they go HIT.
- UDC Conformation (maximum of 3 points for EACH show): 1 point for entering and competing, 1 point for qualifying (Erating), 1 point for Best Adult.
- IGP FPr (tracking) (maximum of 3 points): 1 point for entering and competing, 1 point for qualifying, 1 point for High in IGP FPr
- IGP UPr (obedience) (maximum of 3 points): 1 point for entering and competing, 1 point for qualifying, 1 point for High in IGP FPr.
- IGP APr (obedience and protection) (maximum of 5 points): 1 point for entering and competing in each phase, 1 point for each phase qualifying, 1 point for High IGP APr
- IGP trial (maximum of 7 points): 1 point for entering and competing in each phase, 1 point for each phase qualifying, 1 point for High in IGP.
- Temperament Tests and BH's earn NO points.

In the event of a tie: Dogs entered in the IGP trial will be ranked higher than dogs not entered in the IGP trial, and a dog with a passing protection score will be ranked higher than a dog without, and the dog with the highest passing protection score will be ranked higher than other entries, whether or not the dog qualified in all three phases of the IGP trial. If there is no dog tied for HPAA that entered and participated in the IGP trial, a dog entered in obedience will be given precedence over a dog not entered in obedience, and in all cases, the highest obedience score earned will decide the tie.

Judges and Presenters:

Temperament Test & Conformation: Nancy Christensen

My first Doberman came into my heart and home in the summer of 1974, I have never been without at least one Doberman since that time. That first one, Clyde A Scope UD, traveled with me to many horse shows and rodeos as my companion and protector, as well as earning multiple HITs and OTCh points and getting me hooked on the breed for life! My foundation bitch was purchased from Betty Brockman James in 1979, Silent Sentry's Renaissance CD, WAC (AKC pointed).

One of her puppies was my first Champion, 1984 DPCA Top 20 and multiple BIS/BISS winner, Renejade The Jazz Singer CD, ROM. In 1988, I imported a beautiful black dog from England who became the first Doberman to finish an AKC Championship with natural ears. This was CH Findjan's Outrage CD ROM. He sired my first schutzhund Doberman, UDC CH Renejade Windsor v Jazlin CDX, WAC, SchH3, ZTP, CGC, VCX. Many of Jack's kids lived well into double digits, with several into their teens. In 1999, I imported a black male from Germany who became Querinius vom Lindenhof SchH3, ZTP, WAC, CGC, better known as Cynic. He was the dog that taught me to love tracking. We were getting ready to do the FH and compete in Rally and agility at the time of his death from cancer in June 2005, when he was just six years old. The first brown Doberman at Renejade was UKC/UDC/Int'l CH Come As You Are Inelya Renejade CD, RA, CGC, WAC. Nell was a wonderful bitch who also succumbed to cancer at too young of an age. She had one litter, from which I kept a black male, UKC/AKC CH Renejade Fast Fletcher WAC. With my Dobermans, I have competed and titled in many areas of performance; AKC obedience up to the UD and OTCh points, agility and schutzhund to SchH3. In addition, Dobermans of my breeding have been successfully titled and competitive in tracking, flyball, agility, AKC obedience, dancing and schutzhund. I have been extremely proud of the Renejade dogs who have certified and been used in SAR. I was approved by AKC in February 2006 as a regular Doberman judge and served on the DCPA Board from 2006 to 2010. It has been a great honor to judge at the DPCA National Specialty in 2009, at the 2009 DPCA Top 20 and Pre-National show in Argentina, and a several wonderful specialties around the country. My greatest enjoyment of judging is simply being privileged to see and touch all the beautiful Dobermans! I love them all and often hate to have to choose just one!

Conformation & IGP: Gerardo Heredia (FCI judge under the FCM in Mexico)

I started the Schutzhund sport in 1983 like a trainer. In 1985 titled my first dog on SchH 1, that same year we made VA (German Shepherd).

Later on I functioned as a helper in some trials. In 1990 I started to judge conformation, after that became judge for TT temperament test for all working breeds. Shortly followed by becoming an International Judge under the wings of the FCI. I have judged conformation shows in many countries on the American continent from Mexico to Brazil and Argentina. I've also judge in Japan.

I am specialized judge for German Shepherd dogs and Koer Master.

On 1993 I got my license as a SchH judge for FCI. I have had the opportunity to judge all over Mexico encouraging the people to do the sport. Then I was invited to Peru to judge the COAPA Championship (Latin America selection) and became judge for WUSV. After that I have had the pleasure to judge in different parts of USA, Puerto Rico, El Salvador, Guatemala, Cuba and Peru.

I am the Vice-President of the FCI-FCM and I am the president of the working delegation for FCI-FCM in Mexico including all bite sports such as; Mondio Ring, French Ring, IGP, PP (Protection Dog) etc.

I'm also a Judge for all of these bite sports but French Ring.

I want to wish all of you great success and a much fun with your beloved dogs at the 2020 UDC National Championships.

Conformation & Breed Survey: Jacque Matson

I attended my first UDC event in the summer of 1995. While there I was introduced, by UDC members Doug Matson (Kansa) and Julie Stade (BJF) to Dr May & Arnold Jacobson and the Drs Joe and Linda Kurz. I was impressed with the United Doberman Club's NOBLE pursuit of a Total Doberman that REPRESENTED the Best in Conformation, Character, and Health. Soon after I married into Dobermans—Kansa Dobermans specifically, and DEDICATED myself to becoming a LIFELONG student and PASSIONATE preservationist of the Doberman.

I was raised with a dog breeding family in which dogs were EXPECTED to be successful as gundogs and working ranch farm dogs that ALSO earned their American Kennel Club Conformation Championships. Along the way Doug and his childhood friends introduced me to Schutzhund—I was a RELUCTANT observer at first. After Lynn Ellis—long time Schutzhund competitor/trainer took the time to EXPLAIN, I became a ZEALOT convert to the working sport. I am BLESSED with a husband with whom I SHARE the same PASSION for the Doberman. I am also BLESSED with the Opportunity to meet with GLOBAL Doberman Preservationists from around the world. Since losing 150 pounds, I became more involved training for SCH/IPO/IGP. Along the way I have observed the Breeder, Competitor should Not, just settle, But EXPECT the very BEST from our Doberman Breeders, and trainers. A good Doberman has CORRECT conformation in accordance with the breed standard, GREAT Doberman character that represents the breed, and GOOD health. For the hours it takes to walk on the field to compete in IGP/AGILITY/OB, or even Conformation, to LOSE a training partner, friend because of Injury, Cardiac Disease, CVI, Cancer, is NOT acceptable. We OWE the Doberman MORE than just settling. I thank the Vita Nova Doberman Club and the UDC for inviting me to judge this prestigious event and I am LOOKING FORWARD to the CAMARADERIE and GOOD times CELEBRATING the TOTAL Doberman during the UDC National.

Obedience: Sandi Atkinson

I have been training and competing in various dog sports for over 35 years with Basenjis and Cavalier King Charles Spaniels. For AKC, I judge Novice and Open obedience and all Rally classes; I also judge all UKC obedience and rally classes. I am a member of Capital Dog Training Club of Washington, D.C., Inc., Mid-Atlantic Basenji Club, Cavalier King Charles Spaniel Club-USA, and Cavaliers of the Northeast. Other hobbies are art (mixed media and acrylic), photography, and rhyme & song-lyric writing.

Health Clinic: Gina Pasieka - DVM, DACVIM (Cardiology)

Associate Cardiologist at CVCA Cardiac Care for Pets (www.cvcavets.com)
www.gina.pasieka@cvcavets.com Dr. Pasieka received her veterinary degree from Louisiana State University with honors in 2004. She went on to do a 1 year rotating medical and surgical internship at Oradell Animal Hospital in New Jersey. In 2009, she finished a 3 year cardiology residency with CVCA and passed the board exam and elected to stay on at CVCA in a staff position. In practice, Dr. Pasieka enjoys have a special working relationship with working dog handlers, providing cardiac evaluations to local law enforcement and detection K9's. An avid dog sport person herself, she has been involved in IPO with both Dobermans and Malinois for many years.

Extra information about the events:

UDC TEMPERAMENT TESTS on Tuesday, May 26th under UDC Judge Nancy Christensen
The UDC requires that all Conformation entries take a UDC TT prior to showing. Dogs need not pass to show. TT's are divided by age and level of training: PTT for the Puppy Classes, YTT for the Youth Classes, ATT for Adult Classes; all Adult dogs, including Veterans, Champions and Altered dogs
dogs take the Adult Temperament Test (ATT), except Working class dogs **may** substitute the Sport Temperament Test (STT) if they meet the titling requirements. However, it is optional for clubs to offer the STT.
Evidence of passing the UDC breed survey (BSB or BSA) will be considered the equivalent of passing the ATT. DV ZTP can be substituted for the ATT if the owner submits proof of passing the ZTP. See the UDC Breed Manual available at www.uniteddobermanclub.com for additional details. Non-UDC registered dogs must have proof of titles and papers available for review. All entrants will receive a written evaluation as proof of participation.

UDC CONFORMATION SHOWS

BRIEF UDC CONFORMATION RULES & ENTRY REGULATIONS - See the UDC Breed Manual at http://www.uniteddobermanclub.com/manuals/Breed_Manual_2016_Final.pdf for details. All entrants are required to take the UDC temperament test appropriate for their entered class prior to showing. UDC TTs are offered only on Tuesday, May 26th. If a dog has passed the current age-appropriate TT or a UDC Breed Survey/DV ZTP, presenting this documentation to the Show Secretary during check-in. Dogs may fail the TT and still participate, but cannot earn a CC. Although it is recommended that dogs be registered with UDC and have a UDC Record/scorebook Book, Dobermans in other UDC recognized National registries may show. To register your dog with UDC, please go here: http://www.uniteddobermanclub.com/forms/dog_registration.pdf.

All dogs will receive a written critique. Classes are divided by sex and age: Baby (less than 6 months old),
Puppy (6 to 12 months old); Youth (12 to 24 months old). There will be a Best Baby, Best Puppy and Best Youth, plus Best Opposite Puppy and Best Opposite Youth. Adult classes are for dogs over 24 months of age. Open class is for all adults. Performance class is for adults who hold a BH, Agility, Obedience, SAR, Guide Dog, Therapy or Tracking qualification. Working class entrants must have a SchHA, SchH, Brevet, French Ring, or IGP qualification. **(NO PSA, MONDIO, ETC??)** Veterans class is for adults 7 years or older who hold a working or performance title and they may be spayed/neutered. Altered are non-regular classes for spayed and neutered dogs who then compete for Best Altered. Dogs over 7 years may enter EITHER Altered or Veterans class, but not both. Champion class is for UDC champions ONLY. Winners Dog and Winners Bitch classes will be open to the highest placed E-rated dogs in Adult classes that have also passed the ATT, STT or Breed Survey/DV-ZTP.

UDC OBEDIENCE TRIALS

UDC obedience requires that teams demonstrate mastery of basic skills (Novice classes) or advanced skills (Open & Utility). Please read the obedience rules in the UDC Performance Manual available at http://uniteddobermanclub.com/manuals/Performance_Manual_2015.pdf before entering. PLEASE NOTE THAT THE PERFORMANCE MANUAL HAS BEEN UPDATED WITH A NUMBER OF REVISIONS.

Novice A is for Dobermans who do not have any obedience titles in AKC, UKC, CKC, other registry, or U.S.A./DVG. Dogs holding a "BH" or any Schutzhund/IGP title must enter Novice B. Note: There will be no refunds for a bitch in season if she is not allowed to compete. Bitches in season will be allowed to compete under the following conditions: 1) She must be the last dog to show after all classes are completed prior to HIT being awarded. 2) She is

not eligible for run offs. 3) She must be kept out of the obedience area until called for her class. 4) Ribbons for the class in which she is entered will be awarded after she has completed her routine. 5) A demonstration dog must be available if there is only one bitch in season. In the event of two-day trial (which is the case this year), she will only be able to show in the last trial unless a separate obedience ring is available. Notify Tammy Rush, obedience chair, as soon as you determine your entered bitch will be in season so that the chances that you will be allowed to show will be maximized.

Veterans: Any dog that is at least eight years old on the date of the trial is considered a veteran. Owners will have the option of designating "veteran" on their entry.

FEO: For Exhibition Only Entries (FEO) Dogs can be entered in a regular obedience show "For Exhibition Only" by designating this on the entry form and/or by notifying the ring steward and judge in advance of entering the ring of such intention. A dog may be entered in any class as FEO even if the dog is not eligible to enter the class by UDC rules. FEO entries are not eligible for qualifying scores or awards.

BANQUET DINNER, IGP DRAW, AGM AND SILENT AUCTION

Banquet dinner, AGM and IGP Draw night will take place at the American Legion 290 post. There will be a buffet style dinner and menu will be provided before the event so that people can decide if they want to attend.

There will be a cash bar.

The silent auction might need to change to outside during 1 of the events because of the rules and regulations in the American Legion Post Building.

UDC BREED SURVEY

The UDC Breed Survey program uses 1) the UDC conformation standard including updated modifications 2) Veterinarian certification will be accepted as proof of lost teeth. 3) Spayed/Neutered dogs are permitted to test. The Breed Survey Basic "BSB" uses a protection scenario similar to the ATT. The Breed Survey Advanced "BSA" uses the protection scenario that includes attack out of the blind with stick hits and a courage test. A complete description of the Breed Survey is available at http://www.uniteddobermanclub.com/manuals/Breed_Manual_2016_Final.pdf. The same health tests must be submitted for the BSB and BSA. Copies of documentation MUST accompany Breed Survey entry. The CERF (within 18 months) and/or echocardiogram (within 18 months) may be turned in with entry OR at a later date. Each Doberman entered must also be UDC registered and have permanent identification (tattoo or microchip), have at least a BH for the BSA, a performance title for the BSB (see UDC Conformation Rules).

Copies of the supporting documents must accompany entry. Online entries must mail copies of the required documentation prior to the **May, 4th** closing to: Katlyn Schwarzwaelder, 186 Taggart Rd, Darlington, PA 16115

Additional copies of all required documentation must be taken to the test site with UDC registration papers & UDC Record Book/Scorebook.

UDC SAR

Wednesday, May 27 2 - 4 pm. Have your dog aptitude tested for human remains. This course will test your dogs natural aptitude for human remains and their ability to problem solve. Your dog will have the chance to work alongside 5 experienced SAR k9 handlers and discover what it is like to be a search K9. Handlers will need a regular flat collar, a 6 ft lead, food, a toy and a sense of adventure. Location - TBA (we are hoping somewhere near the conformation/obedience rings)

Night Walk and side events

Side events and location to side events will be published as we go. It is meant as social events. Talk about dogs, have some food and drinks together and enjoy what we all love to work with.

Side events that have been talked about are:

- Fastest long bite (open to all breeds)
- Fastest Blind Search (open to all breeds)
- Fastest Retrieve (open to all breeds)
- Furthest Dumbbell throw (open to everyone)

UDC NATIONAL IGP CHAMPIONSHIP under FCI Judge Gerardo Heredia Fri. May 29th, and Sat. May 30th.

IGP Championship Helpers: *HELPERS WILL BE PRESELECTED TROUGH VIDEO SUBMISSION.*

IGP Championship Backup Helper: -

Track Layer: TBA

Practice Helper for IGP Championship and UDC Breed Survey: TBA

IGP was developed as a means of evaluating the character and the utility of working dogs. The judge is required to make detailed verbal assessments to the audience. Each level, IGP 1-3, comprises three separately evaluated phases. To earn a title, the team must earn at least 70 points in each phase. Important Notices: Be courteous to your fellow participants – practice-tracking fields will be arranged and locations provided to participants. Track on designated practice fields only! Anyone found on the trial tracking grounds prior to the trial will be deemed ineligible to trial.

The BH (Begleithund) is a companion dog or traffic sureness test. Entries may be limited. 100% refund will be given if your entry is not accepted due to trial limitations.

H.O.T. AWARD

To be considered a H.O.T. (Handler Owner Trained) dog, dogs must have been titled from BH to current degree with listed owner/handler (any age). Verification will be done through evidence the owner/handler provides and also copies of the scorebook pages showing the titles and the date the event was held including the judges' name. To qualify as Handler Owner Trained (H.O.T.), the following criteria must also be met:

1. The dog must be owned and registered in the name of the handler.
 2. A significant amount of the training of the dog may not have been done by someone other than the owner without the owner being involved in the training; e.g., the dog may not have been sent to a trainer for the retrieve, heeling, protection, or tracking.
 3. The dog may not have been trained to the level of being ready to pass a BH before purchase. When entering a trial with a H.O.T. dog, the handler/owner may be required to sign a statement that the requirements listed above have been met.
 4. Many people believe that to qualify for H.O.T., you only need to have put all the titles on the dog; this is only part of the criteria. Please remember that:
 - * When a handler purchases a young dog, the dog cannot have a significant amount of training done by someone else before OR after purchase. If there are videos of the dog heeling, doing positions, tracking and downing on articles, etc., prior to purchase, this is considered a "significant amount of training" and the dog should not qualify as H.O.T.
 - * The handler must be present during ALL training of the dog; the handler may not send the dog to someone else for any training. Dogs that someone other than the handler/owner tracks, works in obedience, or works in protection, when the handler/owner is not present and not involved in the training, do not qualify for the H.O.T. designation.

Nearby Veterinarian

Columbiana Veterinary Associates
41233 Metz Rd, Columbiana, OH 44408

RV Parking

RV Parking is available at the American Legion Post where Nationals will be held. There are no showers or Electric Hookups so only those who are completely self sufficient can use this location. Follow the Facebook Page for any additional RV places the host club will make arrangements with.

Silent Auction

Silent auction will be done not at draw night, due to formalities with the American Legion Post's rules. Keep an eye on the official Facebook page for updated information in regards to Silent Auction location.

As of now we have discussed an outside tent during Draw Night Dinner, or something close to the IGP field during the IGP Trial.
